

Asbestos Annual Notification

In response to the 1988 federal Asbestos Hazard Emergency Response Act (AHERA) Central Public Schools has developed a proactive asbestos management plan. This management plan is to ensure the health and safety of students and staff from asbestos containing building materials.

The following activities have been or will be conducted by the district in accordance to the management plan.

Winter 2014 – Periodic Surveilliances-All buildings (Musser Environmental)

Spring 2015—Periodic Surveillance—All buildings (Musser Environmental)

The management plan is available for review at the district office. Should you have questions or concerns, please contact the Buildings and Grounds Supervisor at 467-7008.
