## CHS VOLLEYBALL TEAM GIVES BACK

The CHS volleyball team works everyday to put it all on the line during games. Having a successful team on the court is not the only thing important to Mrs. Hammers, the CHS Volleyball Coach. "For the last five years, the team has bonded together at Feed My Starving Children in Chanhassen. It's a great and powerful experience!" The team also plans to host a "Dig and Ace" night with proceeds to be donated to cancer research. The next Ace night is on October 10, 2019.
